

Olive Natural Heritage Collection

Repository: Olive Free Library 4033 NY-28A, West Shokan, NY 12494

Title: Olive Natural Heritage Collection

Date:

Extent: 4 cubic feet

Condition Governing Access: This Collection is available to the public for use. Copyright for all publications and newspapers remain with the publishers. Title 17 of the U.S code applies.

Language: English

Biographical History: The purpose of the ONHC is to preserve all materials that were used in the Olive natural heritage project, 1992-95, culminating in the Olive Natural Heritage Society's publication, "The Ashokan Catskills: A Natural History", by Jack Bierhorst . The materials are stored in the General Archive unless they contain sensitive information, including data on rare species and fragile habitats. A few items listed in the General Archive Catalog are not in the ONHC but on open shelves at the Olive Free Library. These are marked with an asterisk (*).

Scope and Content: The collection includes: research, publications, and artifacts Please note that not all dates are inclusive.

Arrangement: The materials are arranged chronologically.

Processing Information: Processed by Melissa McHugh November 2023

Series 1: A Compilation of Research and Resources On Olive's Natural Heritage

Box 1-3:

Adams, Jeremiah.

Samuels Point Expedition.

6/4-5/94. 1p.

Adams, Morton S. Damselflies and Dragonflies (Odonata) of the Town of Olive, Ulster Co., NY: Master Inventory. 11/26/94. 4p + maps.

Ground Beetles (Carabidae) of the Town of Olive, Ulster Co., NY: Master Inventory. 11/13/94. 7p + maps.

[Moths of the Town of Olive, Ulster Co., NY, Part I: Family Noctuidae, Tribe Lithophanini, Called "Moths of the Sugar Bush."] 5/7/93. 3p.

[Moths of the Town of Olive, Ulster Co., NY, Part II: Family Noctuidae, Subfamily Noctuinae (Cutworm Moths). 8/6/93.]

Olive Breeding Birds: a Checklist Drawn From the

CATALOG: GENERAL ARCHIVE

2

New York State Breeding Bird Survey of 1980-1985. 1993. 6pmap.

[Based on unpublished "block" lists obtained from Cornell.]

Owlet Moths (Noctuidae) of the Town of Olive, Ulster Co., NY: Master Inventory. 11/22/94. 13p.

Sphinx Moths (Sphingidae) of the Town of Olive, Ulster Co., NY: Master Inventory. 10/23/94. 3p. Adams, Morton S., and J[eremiah] K. Adams. [Toren Hoek

Mountain: Field Notes, 4/26/93.] 1p.

Adams, Silas B., and Morton S. Adams. [Toren Hoek Mountain: Field Notes, 4/30/93.] 1p.

Adams, Morton S., Michael Kudish, Sanford Robinson, Daniel Smiley, Carolyn Summers, and F. Robert Wesley. Packet of 10 boxes of color slides of plants, animals, and habitats in Olive. 1957-1994

Altshuler, Anne. Biological inventory in Krumville, NY (Includes area within 1/2-mile radius of my home, compiled 1971-1992). 3p+ map. reptiles, herbs, insects, trees, birds.]

Altshuler, Anne, and John Bierhorst.
[Lists of mammals, very full list of

Birds of Cathedral

Gorge, Browns Station, Town of Olive: Compiled from John Burroughs Society Records. 3d rev. Oct. 23, 1994. 3p. "Article 12-F

—
Conservation Advisory Councils and Conservation Boards."
General Municipal Law [of New York State?], pp.461-66. [This
is a photocopy without full bibliographical data; it
describes duties and options of town CAC groups, including
the duty to prepare a map of wetlands and the option to
identify valuable open spaces]

Auger, Phil, and Jeanie McIntyre.

Natural Resources: An
Inventory Guide for NH [New Hampshire] Communities. Published by the Upper
Valley Land Trust, Norwich, Vermont, and UNH [University of
New Hampshire] Cooperative Extension, Durham, New
Hampshire, rev. ed. July 1992. 62p.

Barbour, Spider. Acidic Crests in the Hudson Valley.
[Unpublished paper distributed for Hudsonia Ltd. ecology course.
Annandale, NY, 1990.] 5p. [Describes open scrub-oak-and-pitch-pine
woodlands in northeastern Ulster Co.]

Saugerties Biological Resources: A Brief Overview. Aug. 14, 1992.
2p. [Report prepared for Saugerties inventory group, gives
general **locations** for Saugerties rare species.]

and Robert E. Schmidt. Biological Reconnaissance of the Little
Beaver Kill, Esopus Drainage, Ulster **County**, New York.
Report to Woodstock Land Conservancy. Annandale, NY:
Hudsonia, Bard College, 24 March **1994**.

CATALOG: GENERAL ARCHIVE
